

MADE IT CLEAR!

THE BENEFITS OF THE ORIGINAL

The international top brand. Made in Germany

SPÜLBOY is worldwide the No1 of manual glass washers and the only brand engineering, producing and assembling all in Germany.

We love it clean! Bacteria hate us.

100% Bacteria-free purity!

Highly effective organic Spülboy Tabs.

Spülboy removes up to 99.9% E. coli and Pseudomonas bacteria and herpes HSV type 1 viruses. Tested and approved by independent institutes and testing laboratories.

The experience of 100% Bacteria-free purity!

We love it fair! Just be smart.

Unique cost savings!

Only 10 cl of water per glass.

No electricity.

Economic use of detergent.

For you: unique cost savings!

We love High Quality! With our passion for plastic.

Expertise Made in Germany!

Made of high quality, using food safe registered 1A plastic.

Various certifications, i.e. DIN EN ISO 9001: 2015 & DIN 6650-3.

Including extremely durable brushes.

This is our brand: Quality Made in Germany!

We love Innovation! And believe in traditional values.

Unique Hygienic Design!

Innovation, technology and development out of one source: SPÜLBOY.

The guarantee of 100% hygiene and comfort.

Spülboy NU®: minimal spare parts, hardly any wear out.

SPÜLBOY: Innovation by Hygienic Design!

We love a quick end of work-day. Off in the dishwasher! No joke.

Perfectly screwed and dishwasher-safe!

Forget about maintenance and time-consuming cleaning.
The closed system of the glass washer guarantees hygiene and comfort.
On top: Our Classics are dishwasher safe up to 60 ° C, NU[®] models up to 70 ° C.
100% Hygiene! Guaranteed!

We love it virtually! Life is already complicate.

Separate pre-rinse and rinse!

Unique pre-rinse and rinse-off technology.
No annoying flushing, but automatic fresh water circulation.
With every rinse-off, fresh water is also added to the pre-wash area.
The idea: Our separate pre and post rinse!

We love it particularly!

Always suitable!

Our Hygienic Brushes fits all glasses, including wheat and handle glass.
Only Spülboy offers the long - and if necessary to extend - high quality center brush in all devices.
The right brush for every glass!

We love it high!

And offer more depth!

With Spülboy NU, the middle brush is higher and thus cleans even deeper glasses perfectly. The pre-rinse takes glasses up to 27 cm depth, the rinsing cleans glasses up to 25 cm depth.
Perfect for all glasses!

We love elegance!

Simply installed!

Spülboy NU[®] can easily be integrated.
Create the corresponding counter cutout with the enclosed template and place in your NU.
Ready, steady, clean!

We love it fresh!

With an extra plus!

Push the button! The brand newest NU water + system offers an innovative freshwater button. Fresh water can be filled up quickly and at any time by pressing a button.
Easier, comfortable and hygienic!
